Salinas, California, Friday, March 11, 1949.

Ground School Starts Next Week For Fliers

Next week will mark the beginning of a new course at Hartnell - ground school instruction primarily for members of the flying club and other air-minded students.

CAA air regulations, aircraft, and theory of flight will be

taught Tuesday and Thursday at 4 p.m. by Mr. Richard Carlisle for the remainder of the semester as a two-unit course.

Set up as a regular course next fall, the ground school study will include the following: CAA regulations, 10 hours; aircraft and theory of flight, 30 hours; engines, 24 hours; meteorology, 24 hours; navigation, 24 hours; and radio procedure, 10 hours. This makes a total of 122 hours of instruction.

Meanwhile, licensed members of the club have exclusive use of the plane until flight instruction starts. Members are still seeking a slogan-name to supplement the legal name of "Hartnell Flying Club."

Already dreaming of the day when the club's debt to the student body will be paid, the future fliers have their eyes on a second, faster plane - probably a four-seater — for cross-coun-

\$5 of Fee To Be Returned To Vets

Veterans attending Hartnell College will be pleasantly surprised when they receive \$5 from Karl J. Bengston, Hartnell comptroller. The money is a refund on the \$7 student body fee paid at the beginning of the semester.

The Veterans' Administration allows a maximum of \$5 for student body fees so the vets will still be paying \$2 for their student body cards.

Total amount refunded, according to Mr. Bengston, is \$500.

Only veterans under Public Law 346 who received authorizations in the early part of the fall semester will receive the refunds at the present time. Other veterans will get their cash in about

Lucky Number To Win Free Sky Trip

Early-ticket buyers for the Hartnell Flying Club's dance have a chance to win a free plane ride in the club's own plane. The drawing will be made tonight at the Flying Club's dance held For Carnival from 9 to 12 p.m. in the men's

The club still owes \$500 to the student body, which it hopes to partially pay off with the proceeds from the dance. Admission prices range from 50 cents for stags to 75 cents for couples.

The gym will be decorated and refreshments will be served. Members suggest that this is an ideal opportunity for air-minded students to get together.

Open Drive For I.O.U. Payments

With a budget deficit depending upon collections, members of the student commission budget committee met this week to formulate plans for collection of \$700 worth of I.O.U.'s on student body cards.

"If we don't collect the money from students we will have to start cutting down on budgets," Student Body President George White declared. "We hate to cut any budgets, but they were all plans for the trip were completed planned on an income that included this unpaid \$700. If we don't get the money, we can't spend it."

President White urged all students that have an I.O.U. payable to arrange with Comptroller Karl Bengston for repayment. (CONTINUED ON PAGE 3)

Men's Club Asks Financial Help

April 29 was set as the date for the Men's Club carnival by the commission at their meeting Tuesday noon. The student commission had a serious shortage of officers so the secretary, Janice Lund, had to preside over the meeting.

The carnival, it was announced, will take place in the men's gym and in the music room. Mr. Richard Carlisle, advisor of the Men's Club, asked the commission to pay for the band at that time as it would be unable to meet a deficit.

The Newman Club has decided to sponsor the W.S.S.F. drive and requested the co-operation of the commission and the student body in making the drive a success.

New Music Club To Hear S.F. Symphony

First project of the Music Club of Hartnell will take place tomorrow when they travel to San Jose to hear the San Francisco Symphony orchestra. Final vesterday.

Eighteen members are now in the club and Robert Jensen has been chosen president. Beverly Carlson is vice-president, and Frank Gonzales is secretary and the test. Mrs. Harper will take treasurer.

Sadie Hawkins Draws Nigh; Fast Track For The 18th

Gals, get those seductive costumes ready. Fellows, are your track shoes in top flight-and we do mean flight-condition? In one week the women will be in their glory, the men in the depths of despair, for once again Sadie Hawkins'

Folk Dancing Class Puts On Assembly

The 9 o'clock folk dancing class conducted by Miss June Handley entertained the student body at an assembly at 9 o'clock this morning. Taking part were approximately 40 dancers.

Square dances performed were First Two Ladies Cross Over," 'Solomon Levi," and "Hook and Whirl." Dances done by couples were "California Schottische," "Shaw Polka," "Spinning Waltz," and "Boston Two-Step."

Written Test for Civil Service Typists Here

A written test for the typist and stenography examinations for those who passed the state civil service typing test will be given next Wednesday at 10 a.m., it was announced by Mrs. Ann Harper.

Students planning to take this test must, however, fill out an application form prior to taking all applications.

Day is upon us. As a fashion hint to the gals, tradition seems to have it that for school, short, cut-off Levis and off-shoulder blouses are the most practical and appropriate costumes for the girls during the day. Of course, for the dance, the only way to decide what to wear is to let imaginations go wild, or perhaps put that nightmare into a reality.

Besides the prize for the best Daisy Mae, there will be one for the best costume of a Dog-Patcher - Mammy Yokum, or the Wolf Girl could be suggestions.

The men are not being forgotten for there will also be prizes for the best Li'l Abner, and one for another male character from Mr. Capp's strip. For possibilities, how about Lonseome Polecat? What imagination can rig up is approved for this day.

Another important part the fellows play in this day is in the race. Instead of being the pursuer, the lucky boys are the pursued. Any form of trap is legal next Friday, from lariats, rat traps, handcuffs, and chains. One girl is reported to be preparing an elephant pit in back of the (CONTINUED ON PAGE 3)

Biggest Bulletin To Be Completed In Two Months

Largest bulletin ever turned out by Hartnell College has gone to the printers this week, Mr. Stuart Dufour, head of the journalism department, stated. The bulletin is the 1949-50 Announcement of Courses which may have approximately 112 pages.

It has also undergone the first complete change of format and type style in the last 10 years. The booklet, which is being printed by the Salinas Press, should be completed by the middle of April.

The cover design is a watercolor painting of one of the original Hartnell buildings done by Bob Kensinger. Pictures throughout the book are the work of Mr. W. J. McCallum's photography class.

Mr. Dufour announced that there is a definite effort in the bulletin to have courses comparable to the courses at University of California numbered and named the same.

La Reata Nears Completion

La Reata is half completed and is expected to be entirely at the printers by the end of this month, Joyce Anderson, editor of the yearbook, announces.

Pledge cards can still be obtained in Room 9.

Women Cagers Play Intra-Class Series of Games

Proving superior in every way, the 1 o'clock women cagers, the Yellows, conquered the 11 o'clock hoopsters, the Whites, in a series of three games played in the women's gym March 3, 4, and 5. The Whites just didn't seem to have what it took to conquer the Yellows who scored a total of 104 points to their opponents' 80.

In a game played March 3 the score was even at half-time when the Yellows moved out in front in the final half to swamp the Whites, 40-24. March 4, the unfortunate Whites were tripped up again by a score of 49-31, and in the last game, their last vestiges of prestige gone, they succumbed to the tune of 25-15.

WEE GEE

By ANNABELLE

"Until," "Oklahoma," and "Galway Bay," just to mention a few, were on the Cal Poly glee program the other night. Then the Collegians swung out with Kenton's arrangement of "Opus in Pastels," and a little on the Les Brown side with "I've got My Love to Keep Me Warm." Other numbers completed the program. The concert not being enough, they came over and rocked the gym solid for three hours. Not every day that Hartnell gets an ork like that.

Advertising bills made out by Hartnell College Publications are sent to local merchants monthly. Heard tell Mr. D. received one check back made out "Hartnell College Pub."

Dr. Kinsey has nothing on Hartnell. Enterprising (?) students, George Pappani and Loren Ingols, scooped him by three years on his report of "Sexual Behavior of the Human Female." They thought of the idea in Miss June Handley's college etiquette class.

Leading questions asked might be a little tame in comparison with Kinsey but they were: (1) Do you like to be kissed on your first date with a fellow? (2) Do you expect to be kissed? (3) Have you ever gone steady? (4) Age?

"Depends on the fellow," most of the gals answered to the first question. Yes was the answer given by 63.2 per cent of the girls on the following question. Most of the girls have gone steady at least once. The average age of the women polled was 18.7.

Results broken down into cities reveal that Watsonville and Salinas women are a bit on the choosy side. Santa Cruz can be both hot and cold while King City, Gonzales, and Soledad gals are the frendliest and the most informative. Must be the southern latitudes.

(Editor's Note: Pappani should be disqualified in making the report as he gave in and married a Gilroy girl. Perhaps it was the results of the poll that caused Prince Ingols to retire from his promising college career.)

Men take heed on the pertinent data given above. The shoe might fit the other foot after Sadie Hawkins' Day. It's only a week away.

Burma was my girl so sweet

Burma tried to be so neat,

But poor Burma could not marry

For you see, her legs were hairy,

Burma Shave!

Faculty Member Goes To Prison

Mr. Karl J. Bengston, Hartnell comptroller, was requested to appear at the California State Prison at Soledad today.

Chaplain Harry C. Warwick, who is conducting a course on "Sociology of the Home," asked that the faculty member give a speech on the "Economic Aspects of the Home." Such rehabilitation courses are given the prisoners just before they are released.

College Deans Interview S.U.H.S.

Hartnell College's three deans went to Salinas Union High School yesterday and interviewed the graduating seniors that are planning to study here. The students were divided into three groups according to their interests.

Those interested in lower division work talked to Mr. Henry Cassady; Dr. Luella Hall interviewed the general college applicants; and Mr. Claud Addison discussed the occupational division with the students.

Mr. Jerry H. Girdner is visiting other high schools from Santa

Hartnell Quartet Makes Debut At Lions Show

An unusual quartet made its debut last week at the Lions Club Variety Show. This group evolved from the men's glee club last week, and did exceptionally well. From all reports, they stole the show. Don Grilley, Robert Jensen, Don Keeney, and Eugene Haller compose the Hartnell quartet.

The glee club is working on a variety show which will feature novelties by the quartet as well as by soloists.

Featured soloists are Don Grilley, Robert Jensen, Don Keeney, and George Pappani, tenors, and Jack Pipe, bass.

Miss Vivian Stewart, director, and all her groups are anticipating the Junior College Festival which will be held at Stanford in May. It is still indefinite which group will go, but if the mixed glee club shows better ability at the time of the festival it will go instead of the men's glee.

Cruz to King City and from Morgan Hill to Carmel during the next week. He will interview prospective students.

7-HOUR ENGINEERING TEST TO BE GIVEN MAY 7

Hartnell students who wish to take the examination to enter the College of Engineering at the University of California at Berkeley or Los Angeles must file applications on May 1, 1949. The test will be given on Saturday, May 7, at Hartnell College.

High Schools To Visit H.C. In April-May

April 29 has been designated as visiting day for seniors from high schools in surrounding areas. An all-day tour of the plant, visiting different classes, and a noon lunch have been planned for the students from Salinas, Santa Cruz, Watsonville, Carmel, and Pacific Grove.

All students, organizations, and faculty will act as hosts to the guests and further details on the program for the day are still pending.

Gonzales and Gilroy high schools will be hosted in a similar program on May 11. Two tests will be given: Freshman Status Engineering examination and the Junior Status Engineering examination. The freshman test is for entering freshmen and sophomores and the junior test is for entering juniors and seniors.

The fee for this examination is \$5. Examinations will last seven hours.

Newman Sells Cake Today

Coffee and fresh, home-made cake will be sold in Room 35 at noon today by the Newman Club.

At a St. Patrick's Day meeting at noon, Father Patrick Deegan will talk about Ireland and answer any questions about Ireland. Each Newman Club member is to bring a guest.

HARTNELL A & M RADIO STUDENTS

Pictured above are Charles Zilm and Bob Oka, Hartnell A. and M. radio students. They are aligning an AM-FM dynamic demonstrator which shows how the two types of radio reception work. his scholarship has been renewed. The oscilloscope which is in the middle shows the difference in sound waves on a screen. The signal generator on the left generates the signals for testing.

The radio students hope to have television in operation soon. They have already built an antenna 75 feet high which will make it the highest one in Salinas. They have also built a 200-watt radio transmitter which will be put into operation as soon as they obtain a license for it, which will probably be sometime next year.

All of the equipment is built by students at Hartnell out of surplus material. Approximately 20 students from Hartnell College are working on the various sets. Mr. Dennis Nelson is the instructor. -Photo by Pat Smythe

Players Elect

Donna Musler was recently elected director of Delta Psi Omega at Hartnell College, Officers who will serve with her are: Don Feliz, sub-director; and Carmen Costa, secretary-treasurer. The officers were elected according to a point basis as a result of some activity in play production. Formal installation ceremonies are to be held sometime in the near future.

Honorary Society

Delta Psi Omega is an honorary society operating under a national constitution which governs 170 different clubs in colleges and universities throughout the United States. The chief purpose of the society is to produce good educational theater and plays on a college level.

Members qualify for Delta Psi Omega by their work in plays or radio and are graded by a point system. After a person has or three years. The scholarship acquired ten or more points, he is for one year but the girl may is invited to join the organizaapply for renewal if she wishes. tion. This being the first year for Delta Psi Omega at Hartnell, Mr. Ulrici, faculty sponsor, has serve as an induction team for future members.

"Antigone

When asked about "Antigone," forthcoming Delta Psi Omega production, Mr. Ulrici replied, "I think that Antigone is our most ambitious undertaking, It will be the first time that Grecian drama has been presented in Salinas." Antigone is a tragedy but has a great deal of stimulating beauty, poise, grace, rhythm and timing set forth by the actors. It will be a "new and inviting experience for theater-goers who attend."

her tears for just one day Coach Jess Regli will take his aggregation in hand to battle a highly touted Alumni squad. The affair will take place at 10 a.m., Saturday, on the college diamond.

Many professional baseballers are included in the roster that is supposed to appear to play for the Alumni team. Bill Kreuger, Tom Perez, Jim Prien, Jerry Prouty, and Clarence Twitchell of the "play-for-pay" boys, while such men as Jerry Hoagland, Frank Stone, Stan Miller, who is scheduled to work on the mound for the visitors, Charlie Mornard, and Danny Vidovich, who just

Stan Miller

play the game for the fun of it, round out a potent squad for Regli's Rookies to tackle.

Regli hasn't announced any starting line-up as yet, but plans to give everyone possible a chance to show their talents in working for a position on the traveling team.

Don Nielsen is expected to start on the mill for the Panthers and will probably bear Cliff Cracknell, Pat Alexander, Gene Freirmuth, Bill Cooke, John see plenty of action during the game for the locals.

Alexander Hurls, Hits Hartnell To First Win

Pat Alexander, his right arm and his big bat, spelled doom for the Watsonville Wildcats, 5-1, here Tuesday, opening the season with a win for Coach Jess Regli's baseball team.

Alexander hurled two-hit ball for three innings and then connected with a grand slam homer to win the ball game for Lefty Don Nielsen, who replaced Alexander on the mound in the fourth stanza.

For the first three innings the game was a pitchers' duel between Alexander and Causey, brilliant young moundsmen, each of them giving up two hits before retiring. Nielsen, who was suffering from a sore shoulder, had a little trouble finding the plate but managed to keep the visitors down to one hit and allowed no runs.

Marino replaced Causey on the hill in the fifth stanza and promptly found himself in a pack of trouble. He struck out Niel-

homer to sew up the contest.

Harold Giacommazi took over for the Panthers in the last stanza, gave up two hits and a run before setting the Wildcats down and ending the game. Giacommazi also collected two hits while playing third base during the first part of the affair.

SFCC Beats Grant Tech to Take Conference Title

Not satisfied with merely taking the southern division of the Northern Junior College basketball league, the San Francisco City College Rams took a trek up north and snowed under the Grant Tech Saracens of Sacramento, 64-55, the first night and then repeated their performance two nights later.

The Rams, by taking the best two out of three series, annexed their second conference title in the history of the school. Dudley Truelsen and Bob Metheney were once again the big guns in the offensive attack.

Now that they have wrapped up the conference championship, the Rams are turning their eyes toward a national championship. Marin College took that honor last year but has been knocked out of the running for a repeat performance in their league play.

The first three teams in each league are now entered in a sectional tournament in Sacramento and the winner of that fracas will in turn receive a bid to travel east to try their luck in the National Invitational Junior College Tournament to be held in Kansas City.
